DETAILED ACTION

1. This Office Action is in response to Amendment filed 03/02/2005.

Claim 4 have been amended.

Claims 1-3, 10-12 are cancelled.

Reasons For Allowance

2. The primary reasons for allowance of claim 4 in the instant application is the combination with the inclusion of at least the limitation of "a subtracter taking a difference between the previous data stored in said retain circuit and current data output by said processing unit when said processing unit writes data into said random access memory, and generating difference data to be written into said random access memory based on the difference taken, the difference data indicating the difference between the previous data and the current data".

Because claims 5-9 depend directly or indirectly on claim 4. These claims are considered allowable for at least the same reasons noted above.
